ABOUT TERNA PUBLIC CHARITABLE TRUST

Terna Public Charitable Trust (TPCT) is one of the oldest charitable trusts in Marathwada region. Started in the year 1980, with a primary goal to provide education and health services to all sections of society. TPCT is continuously organizing various Social & Medical programs in different parts of the state. The trust runs several educational institutions including engineering, medicine, dental, pharmacy, nursing, polytechnic, industrial training institute, computing and information, arts, commerce, & science, group of hospital, and group of schools and colleges operating from Navi Mumbai and Osmanabad.

VISION

TPCT's College of Engineering, Osmanabad aspires to be an academic leader recognized for innovation, quality in teaching and learning with center of excellence in Technical Education and source of knowledge, disseminating information with ultimate object of spreading love, peace, and prosperity for mankind.

MISSION

Creating academic ambiance to realize student's full potential by imparting quality technical education through innovative teaching and learning methodologies, constant improvement, cultivation of practical skills through unwavering commitment to academic quality. To create center of excellence in Technical education, by fostering research, institute-industry interaction, innovation & creativity through competent human resources with state of the art infrastructure.

PRINCIPAL'S MESSAGE

Warm Greetings.....Dear students and parents

"Aspiring to be academic leader recognized for innovation, quality in teaching and learning with center of excellence in Technical Education the vision of our President, Hon. Dr. Padmasinhaji Patil, TPCT started this institution in the year 1983, to provide Technical Education and employment to the people of this backward district and uplift their social status by producing engineers and leaders to generate national wealth. The vast clean and eco-friendly campus sprawled over 150 acres of land with lush green gardens spread with flora-n-fauna make students of Marathwada region the preferred choice of study center to build their career. A vast alumnus of more than 7000 engineers serving in MNC and about 200 successful Entrepreneurs brings glory to our institution. With the blessings of highly qualified, experienced and extremely dedicated team of faculty and students dedication the institute is crowned with 99 ranks obtained from Dr. Babasaheb Ambedker Marathwada University, Aurangabad...
