

## **CATIA Course for Mechanical Engineering Students**

T.P.C.T's College of engineering, Osmanabad successfully conducted 15 days CATIA Course for Mechanical Engineering Students in collaboration with Indo German Tool Room Aurangabad from 28/02/2017 to 15/03/2017.

In this course, students learned different modules of drafting and designing software, such as Sketcher, Part Design, Assembly Design, Generative Interactive Drafting, Wire Frame and Surface Design.

In this batch, 20 students of Mechanical Engineering got the training of drawing and designing of machine components using latest CATIA software. "Now these students are in a position to handle the industrial challenges in drawing and designing of mechanical components" says the Principal Dr. N. S. Biradar.

According to Prof. P. H. Jain (Course Coordinator), the next batch of CATIA / ANSYS / AutoCAD will start in vacation holidays immediately after end of semester-II examination. Students are invited to register their names for the upcoming courses.

**Mr. Dilipkumar Singh giving training of CATIA software to the Students**

**Prof. P. H. Jain (Course Coordinator), Prof. A. B. Ghalke (H.O.D. Mechanical), Dr. N. S. Biradar (Principal), Mr. Dilipkumar Singh (IGTR Tutor), Mr. R. A. Patil (Lab Assistant) with the students**

Prof. P. H. Jain (Couse Coordinator), Prof. A.Z. Patel, Prof. N. R. Kodle, Prof. D.D. Date, Prof. S. D. Shinde, Prof. S. P. Biradar, Mr. R. A. Patil have taken efforts for successful completion of the CATIA Course.
